

# Miss Chickpea's Funky Fibers

## SUMMER 2008 CLASS SCHEDULE

### Things You Need To Know:

Class Fees are listed below the class description. They vary depending on the class. Materials can, & should be purchased the day of class from the materials list to ensure you have picked the correct items needed for the class, or *sometimes*, there are kits available for ease of purchase. There will be a 10% discount for materials needed for that class, as noted on the materials list at sign-up. Kits, if available, will already be discounted, thereby no extra 10% discount applies.

Early sign-up for the classes is encouraged, as we have a maximum for most classes of eight (8) people, but a minimum for most classes of four (4) people. In some cases, special consideration for class size will be given.

If a class cannot be filled to the minimum req., the store may cancel the class. We will cancel classes within 48 hours (2 days) of the class. In this event, the class fee will be credited back to you. Payments of Class Fees are expected at sign-up, to hold your space, & if you should need to cancel for any reason, the class fees will be credited back to you only if we can fill your space or if you've cancelled at minimum, 72 hours (3 days) before the day of the class. If you give less than 72 hours (3 days) notice, no fees will be credited back to you.
